EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows:

Replace the title with -- **Wirelessly Retrieving and Locally Caching Child and Sibling Items in a Browsing Session** --

replace "pending" (p. 1, paragraph 1, line 4 of the specification) with -- **now U.S. Pat. No. 6,675,202** --.

REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:

The prior art of record does not specifically disclose or remotely suggest:

With regard to independent claims 1, 13, and 24:

In response to a user initiated selection that a first computer readable item
in the tree be a current item to browse:

wirelessly retrieving a second computer readable item which is a **child** of the first computer readable item in the tree **and** a third computer readable item which is a **sibling** of the first computer readable item in the tree using the wireless transceiver while said displaying the first computer readable item on the display device; and

storing the second computer readable item and the third computer readable item in a **local cache** provided by the memory;

providing a first control and a second control to select, using the at least one user input device, from two **wirelessly**-retrieved items in the **local cache** that have not yet been user-selected in the browsing session.

2. A review of claims 1 - 34, in view of the Examiner's arguments above, indicates that claims 1 - 34 are allowable over the prior art of record.

3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
